

GIPPSLAND MEMORIAL PARK ROSE CHAPEL

Gippsland memorial Park can comfortably seat 150 guests in our beautifully appointed newly renovated Rose Chapel featuring bespoke Feature Wall, double-sized Lectern and hand-crafted mobile Catafalque.

Funeral Directors and families are welcome to hire the facility for an hour.

Over the course of an hour Funeral Directors and families will have access to the Open Coffin Viewing Lounge or may view the Cremation if required (prior arrangements must be made with the Crematorium).

The Rose Chapel has state-of-the art modern audio-visual facilities including a wall projector for family presentations, acoustic dampening and recording capabilities so your family may go home with a record of their family's Memorial Service.

It is recommended that if audio and visual facilities are required, the family presentation should be given to the cemetery 24 hours in advance to confirm they are in a suitable format to be used by the facility.

If you are wanting to hire the Rose Chapel phone 5174 9071 or email clients@gippslandmemorialpark.com
